When more than one student get an equal score, priority for awarding ranks is according to marks acquired in the following specified order of subjects: Mathematics (Biology for PCB group), physics, chemistry, biology and Critical Thinking.

I want to know my rank at city-level of exam NSTSE. But I do not find it on your website.

There is no ranking for city level. Only toppers are declared, and only for selected cities.

Note: City Rank (for every Class) will be declared for the classes having a minimum participation of 500 students in a particular city.

I scored All India Rank 95. Why have I not been shown in City-wise toppers' list?

Yours is an All India Rank (AIR), which is at a higher level and is based on All India Level participation, which is above the city topper level. Hence, no City rank is separately awarded.

Note: City-wise toppers are declared after excluding top 100 All India Ranks & State Toppers.

I want to get the information to assess my relative performance, Maximum marks scored by topper in each class.
