UCO Ranking, Information and FAQs

ALL INIDA Achievers :

ALL INIDA RANK 1 to 100 are ALL INIDA achievers.

ZONE-WISE Achievers 1 to 3 :

Zone-wise Toppers are decided after excluding the top 100 ranks across the country.

National Topper is a student of any class across the nation, who achieves 100% marks and is awarded with ₹ **2,00,000** as prize money. If no student achieves the same, then the student who achieves the highest percentage of marks among all classes becomes the National Topper and is awarded with ₹ **1,00,000** as prize money. If there is more than one student who achieve the same, the prize money is distributed equally. Each topper gets either this or the regular prize.

Why do students of the same class with similar total marks have different National Ranks ?

When more than one student get an equal top score, priority for awarding is according to marks acquired in the following specified order of subjects : Mental ability, Reasoning, Computers and English.
